KAIZEN™ Insight Healthcare Tour

Exceptional access to Lean Healthcare Principles

This learning program offers insights to the lean healthcare principles, based on the Toyota Production System (TPS) and KAIZEN™ culture and methodologies. Lead by a KAIZEN™ expert, you will observe the TPS, as well as healthcare Gemba to selected hospitals. By learning the history of KAIZEN™ and the Japanese culture, you will be able to enhance your understanding of the methodology deeper. You will learn many tools and ideas of improvement, but most importantly, you will be able to take home how you could establish a sustainable KAIZEN™ culture within your organization.

This stimulating program will provide you with the perfect balance of the learning of the principles and strategic foundation for success as well as the practical and holistic approach to bring your organizational performance to the next level. The program includes lectures, case studies, Gemba visits to both hospitals and productions as well as discussions to learn from various parties' endeavor in the KAIZEN™ journey.

Join participants around the world and make the most of this unique opportunity to network and share learning with fellow peers during this Tour.
